PROJECT SUMMARY FOR ARUCA INVESTMENT BUNKERING OPERATION.

PREPARED BY ROMUALD BAHARALLY

Introduction:

Aruca Investment is a registered Business Entity under the Business Names Registration Act, Chapter 90:05 with Registration Certificate No. **E14456** and Tax Identification Number **110294592**. Aruca Investment operates with branches at (1) Kumaka, Mabaruma, (2) Kumaka, Santa Rosa, (3) Oronoque, Port Kaituma and (4) Charity, Pomeroun.

Aruca Investment operates with the full knowledge and expressed approval of the Mabaruma Town Council, Amerindian Village Council of Santa Rosa village, the Morawhanna/Mabaruma/Kumaka Hosororo Neighborhood Democratic Council and the Regional Democratic Councils of Barima/ Waini, Region # 1 and Essequibo Coast-Pomeroun, Region #2.

Aruca Investment is owned by Mr. Lloyd Baharally of Kumaka, Santa Rosa and is managed by Mr. Romuald Baharally who has responsibility for Operation and the Sales and Marketing functions. Prior to 2004, the Business operated the Aruca Stationery and Variety Store operating in the Mabaruma and Santa Rosa locations.

Aruca Investment is also the holders of the following Petroleum Licence issued by the Guyana Energy Agency:

1. Importing / Wholesale Licence – Licence No.: IL/0030 of 2021
2. Retail Licence – Licence No.: RO/0256 of 2020
3. Bulk Transportation Carrier Licence – Licence Nos.: T/2459 of 2020
4. Bulk Transportation Carrier Licence – Licence Nos.: T/3056 of 2021
5. Bulk Transportation Carrier Licence – Licence Nos.: T/3057 of 2021

Aruca Investment now intends to expand its business to the Bunkering Service Industry.

Vessels to be used for Bunkering

The vessels to be used for our bunkering operations are:

- (i) Triton Freedom – Storage Capacity of 700,000 litre
- (ii) Paloma 2 – Storage Capacity of 140,000 litre

Bunkering Operation

The bunkering operation will consist of the following:

- (i) Diesel Fuel Imported by Aruca Investment will be transported using the Triton Freedom. This diesel fuel will then be transferred into the Paloma 2 which will then delivered same to customers.
- (ii) Paloma 2 will deliver diesel fuel to customers who will be collecting same using fuel cargo boats or fuel trucks.
- (iii) Paloma 2 will deliver diesel fuel to ships for customers who are in the shipping industry.

Capital Investment:

The Capital Investment for this Project is \$200,000,000.00 GYD and its projected annual turnover is \$1,000,000,000.00 GYD.

Employees:

The Triton Freedom will be staffed with 10 full time workers while the Paloma 2 will be staffed with 5 fulltime workers.

Environmental Monitoring and Prevention:

This has been submitted with vessel documents.
