## ABOUT US

## OUR MANDATE

## OUR SECTORS

The Environmental Protection Agency (EPA) was established on June 5, 1996, under the Environmental Protection Act, Cap. 20:05, Laws of Guyana.

The Act also gave the Agency authority to establish a governing Board of Directors.

The Agency's work enables Guyana to contribute to global and national environmental protection and conservation.

- **To oversee the effective management, conservation, protection and improvement of the environment. It also requires that the Agency takes the necessary measures to ensure the prevention and control of pollution, assessment of the impact of economic activities on the environment and the sustainable use of natural resources.**
