

## **PREQUALIFICATION OF CONTRACTORS/SUPPLIERS**

The Environmental Protection Agency is in the process of pre-qualifying Contractors and Service Providers for the fiscal year 2025.

This exercise aims to pre-qualify Contractors to execute the Agency's Projects from March to December 2025.

Pre-qualification of Contractors will be done for the following:

- 1. Motor Vehicle Repairs & Maintenance**
- 2. Installation & Maintenance of Air-Conditioned Units**
- 3. Electrical Works**
- 4. Servicing and Repairs to Automatic Gate System**
- 5. Provision of Plumbing Services**
- 6. Provision of Contractor Services for Facility Repairs and Maintenance**
- 7. Provision of Laboratory/Testing Services**

Note: The threshold for pre-qualification, will not exceed \$3 million

The place of submission is the Registry Department of The Environmental Protection Agency, Ganges Street, Sophia (located on the ground floor). Envelopes must be addressed to:

**The Executive Director  
The Environmental Protection Agency  
Ganges Street  
Sophia  
Georgetown**

The deadline for submission of pre-qualification applications is **Thursday 25th March 2025 at 16:00 hrs.** Pre-qualification applications must be placed in an envelope, bearing no identity of the applicant, and marked at the top left-hand corner of the envelope '**Pre-qualification of Suppliers for the EPA**'.

Interested parties can obtain a complete set of pre-qualification documents for 'Pre-qualification of Suppliers for the EPA' from the Finance Unit, Environmental Protection Agency, Ganges Street, Sophia, Georgetown, at a cost of one thousand dollars (\$1000).

Only pre-qualification documents obtained from The Environmental Protection Agency will be accepted.

**Executive Director  
The Environmental Protection Agency**
