

Environmental Protection Agency

Notice to the Public

Pursuant to Section 11(2) of the Environmental Protection Act, Cap. 20:05, Laws of Guyana, the Environmental Protection Agency (EPA) has screened the application for the grant of an environmental permit for the following proposed project:

Associated Packers Industry. - Storage and Repackaging of Food Products at Lot 555 Plantation, Little Diamond, East Bank Demerara.

The EPA has determined that this project will not significantly affect the environment, and is therefore exempt from the requirement to conduct an Environmental Impact Assessment (EIA). The reasons for its decision include:

- 1) The project is not located within an environmentally sensitive area i.e., it is not located in an area having special environmental attributes that require special care or rare ecosystems or habitats with species at risk.
- 2) The project is situated mainly in an industrial area, with no residents located within a 500-meter radius.
- 3) All vehicles and equipment will be maintained or serviced according to the manufacturer's specifications in an effort to reduce noise emission levels.
- 4) The facility uses an EPA-authorized company to dispose of the solid waste (office and domestic waste).
- 5) The application and project summary submitted outlined adequate mitigation measures for air & noise emissions from the project.

Please be advised that this decision is in no way an indication that this project is approved.

The reasons for our decision are available at the following links on our website:

Project Summary Tab
