

Environmental Protection Agency

Notice to the Public

Avalon Gold Exploration Inc. has submitted an Application to the Environmental Protection Agency (EPA) for Environmental Authorisation to conduct Gold Mining and Processing within the **PL#:03/2024, Confluence of the Essequibo River and Seballi River- Omai, Potaro Mining District 2, Region #7.**

The proposed Mining activity is intended to sustainably extract mineral resources from the area for processing from both Open pit and underground mining.

In accordance with the Environmental Protection Act, Cap. 20:05, Laws of Guyana, an Environmental Impact Assessment (EIA) is required before a decision can be made to approve or reject the proposed project, since this development may have significant impacts on the environment.

Members of the public are hereby invited, **within twenty-eight (28) days** of this Notice, to make written submissions to the Agency, setting out those questions and matters which they require to be addressed or considered in the Environmental Impact Assessment (EIA).

A summary of the project can be viewed on the EPA's website using the link: <https://epaguyana.org/download/avalon-gold-expl...-project-summary/> or uplifted at the EPA's Office address below, at the reasonable cost of photocopying.

Comments should be addressed to:
