

# Environmental Protection Agency

## Notice to the Public

Pursuant to Section 11(2) of the Environmental Protection Act, Cap. 20:05, Laws of Guyana, the Environmental Protection Agency (EPA) has screened the application for the grant of an environmental permit for the following proposed project:

***MAKPAK Inc. – Assembly of Windows at Plot 60 Area “KK” Land of Canaan, East Bank Demerara.***

The EPA has determined that this project, for the following reasons, will not significantly affect the environment and is, therefore, exempt from the requirement to conduct an Environmental Impact Assessment (EIA).

1. The proposed project location is not environmentally sensitive; it has no special environmental attributes, rare ecosystems, habitats, or species at risk.
2. Adequate measures to mitigate emissions to the air and noise have been outlined in the project's application for environmental authorization.
3. The facility will not have any effluent discharges; therefore, water quality will not be impacted.

Please be advised that this decision is in no way an indication that this project is approved.
