

Environmental Protection Agency

Notice to the Public

Under Section 11(2) of the Environmental Protection Act, Cap. 20:05, Laws of Guyana, the Environmental Protection Agency (EPA) has screened the application for the grant of an environmental permit for the following proposed project:

Rapid Oilfield Guyana Inc. – Preparation & Non-Destructive Testing Inspection of Pipes at Lot 563 Garden of Eden, East Bank Demerara.

The EPA has determined that this project will not significantly affect the environment, and is therefore exempt from the requirement to conduct an Environmental Impact Assessment (EIA). The reasons for its decision include:

- 1) The potential impacts of the project on the physical, biological, and socioeconomic environment will not be significant, given that the preparation & non-destructive testing inspection of pipes will be done in a controlled environment.
- 2) The project is not located within an environmentally sensitive area, i.e., it is not located in an area having special environmental attributes that require special care or rare ecosystems or habitats with species at risk.
- 3) The application and project summary submitted outlined adequate mitigation measures for air, noise, and land pollution from the project.

Please be advised that this decision is in no way an indication that this project is approved.

The reasons for our decision are available at the following links on our website:
