

Environmental Protection Agency

Notice to the Public

Pursuant to Section 11(2) of the Environmental Protection Act, Cap. 20:05, Laws of Guyana, the Environmental Protection Agency (EPA) has screened the application for the grant of an environmental permit for the following proposed project:

- **Tulsiram Mangal (S & S Enterprise), Logging within Ess 18/24, Left bank Cuyuni river, Left bank Blue Creek, Right Bank Ekribisi River.**

The EPA has determined that this project will not significantly affect the environment and is therefore exempt from the requirement to conduct an Environmental Impact Assessment (EIA). The reasons for EPA's decision include:

1. Selective and reduced impact logging techniques will be used to lower impacts on the environment including biodiversity.
2. Noise and vibrations will be managed by avoiding or limiting night operations and conducting regular maintenance of machinery.
3. Woodwaste will be repurposed; waste-oil safely stored and repurposed; and kitchen waste composted.

Please be advised that this decision is in no way an indication that this project is approved.

The reasons for our decision are available at the following links on our website:
