DATE

25th March 2026

SUBJECT

Submission of Environmental Impact
Assessment (EIA) for Eagle Mountain Gold Mine
Project

REFERENCE

20250312-SHGIE

Dear Mr. Kemraj Parsram,

On behalf of Stronghold Guyana Inc ("Stronghold Guyana") a Guyanese subsidiary of Mako Mining Corp ("Mako"), Environmental Resource Management (ERM) Guyana are pleased to submit the Draft Environmental Impact Assessment (EIA) for the proposed Eagle Mountain Gold mining project, located within Region 8, in the Potaro-Siparuni district.

The EIA submission includes seven hard copies and one digital copy and is in line with the Terms and Scope agreed with the EPA (approval letter reference 20250312-SHGIE, dated 16th February 2026).

We request that the EPA review the attached Draft EIA and provide any feedback or further requirements necessary for the approval process. Should you require additional information or clarification regarding any part of the EIA, please feel free to contact karishma.misir@erm.com. Thank you for your attention to this matter. We look forward to your review of the EIA.

Sincerely,

Daniele Zoli, Partner,
Environmental Resources Management Guyana

CC: Mr. Colis Primo, Head of Department, Mining, Environmental Protection Agency
