

Environmental Protection Agency

Notice to the Public

Pursuant to Section 11(2) of the Environmental Protection Act, Cap. 20:05, Laws of Guyana, the Environmental Protection Agency (EPA) has screened the application for the grant of an environmental permit for the following proposed project:

Pritipaul Singh Jr. – Ship Repairs Facility/Drydocking at Lot 12 Support, East Bank Demerara;

The EPA has determined that this project will not significantly affect the environment, and is therefore exempt from the requirement to conduct an Environmental Impact Assessment (EIA). The reasons for its decision include:

1. The proposed project has environmental safeguards and embedded controls to address impacts during construction and operation.
2. The application and supporting documents submitted outline adequate mitigation measures to reduce the impacts that these projects may have on the environment.

Please be advised that this decision is in no way an indication that this project is approved.
