

**Sean's Transportation Service**

**"Safe driving and excellent service is our main priority"**

**Transportation of Domestic Waste.**

**Owner/ CEO: Sean Yassin**

**Contact #: (+592) 621-6534/(+592) 639-5377)**

**Email address: [sean.yassin@yahoo.com](mailto:sean.yassin@yahoo.com) /**

**[seantransportationservices@gmail.com](mailto:seantransportationservices@gmail.com)**

**Prepared by Angali Rathanum**

**Asst. Manager – (+592) 655-6269**

**Type of Waste being transported.**

The only type of waste that Sean's Transportation Service will be transporting will be domestic waste from vessels.

**Trucks being used for transportation**

One (1) Canter Truck will be used to transport the waste from the vessel to the dump site. See picture below.

***Figure 1: Showing the type of truck used for transporting of waste***

- Power Kleen

**Where the truck is being washed?**

After the job is completed, the truck will be taken to a wash bay located in Beterverwagting (BV).

**Truck under operation.**
